Dale Corman, Chairman of Northisle commented, “2021 has been a significant year of growth for Northisle, with a new team, accelerated exploration, and the advancement of the North Island Project. We are pleased to have the continued support of our shareholders and look forward to continued growth of the company in 2022.”

About Northisle

Northisle Copper and Gold Inc. is a Vancouver based company whose mission is to become a leading and sustainable mineral resource company for the future. Northisle owns the North Island Project, which is one of the most promising copper and gold porphyry deposits in Canada. The North Island Project is located near Port Hardy, British Columbia on a 33,149-hectare block of mineral titles 100% owned by Northisle stretching 50 kilometres northwest from the now closed Island Copper Mine operated by BHP Billiton. Northisle recently completed an updated preliminary economic assessment for the North Island Project and is now focused on the advancement of the project through a pre-feasibility study.
